Restoration Doctor – Let us restore and repair!

Bug Doctor, Inc. birthed by entrepreneur Stuart Aust in 1992, has quickly become one of the fastest growing pest-related companies in the entire world. After starting in a two-bedroom apartment, it has acquired and serviced noteworthy accounts such as the New York Yankees, Intrepid, First Service Residential

(FSR), Madison Square Garden, UN, Macy's, Wal-Mart, and Sears/K-Mart. One of the largest reasons for the success of Bug Doctor, Inc. is their largely diversified and expanded service offerings. Since conception, Bug Doctor, Inc. has added the following sub-divisions to their portfolio: Bird Doctor (1997), Mosquito Doctor (2002),

Animal Doctor (2005), Bed Bug Doctor (2009), Restoration Doctor (2013), and Tree Doctor (2015). Yet, the division, which presents the most value to customers and has brought the

company even closer to the home, is Restoration Doctor.

Restoration Doctor was designed and envisioned to complement the existing divisions of Bug Doctor, Inc. For example, if carpenter ant, carpenter bee, or termite damage was
